

LIFT

GUIDELINES AND APPLICATION FORM

(if you have this form open in PDF, you can complete it on screen, save and return)

Guidelines

The Lift programme (formerly Leadership Incentive Fund) enables local solutions to local issues through funding, technical advice and support. The Lift no longer has deadlines so courts and other justice sector partners can apply for funding for locally-run development activities at any time. It does, however, have an annual budget so early applications are encouraged so you don't miss out.

How to apply: We are happy to work with you in developing your application. Send us an email outlining your idea and we can discuss the proposal directly with you prior to filling out this form. All applications will be reviewed, and applicants notified in writing of the decision. Conditional approval will be granted for applications that meet most of the assessment criteria, but which require some limited refinements. Approval will be final on an email confirmation. Email your application to contact@pjsp.govt.nz.

Conditions

All successful grant applicants will be required to:

- Ensure the project is overseen by a National Coordinator, court representative or someone in an equivalent senior role.
- Finalise all project activities and expenditure within a maximum 6 months of funding being approved.
- Report on all activities within the agreed timeframe.

The scope of Lift support

In line with our MFAT obligations we **cannot** support:

- Infrastructure (including applications that only cover the cost of new computers for the judiciary).
- Staff salaries or general court operations costs.
- Gifts or alcohol.
- Identical activities that have already been funded by other agencies.

¹ For example, cost per person, per night, per ticket and so on.

² Court contributions are the elements which your court will contribute. Please give an actual/approximate value of what you are contributing. For example, if you have a workshop venue in your court, your court contribution will be equal to the cost to hire a venue outside the court. Another example of in-kind contribution is people's time that will be put into this project that PJSP will not directly fund, for example the number of hours the National Coordinator will spend overseeing the project.
